Dear Sir/Madam:

This paper is submitted as a supplemental response to the final Office Action mailed April 8, 2003. In accordance with discussions with Examiner Luu, it was agreed that the amendments to claim 1 contained herein would place the case in condition for allowance, and that a Notice of Allowance would be forthcoming. Accordingly, this amendment does not warrant nor necessitate a renewed search and does not contain new matter. The subject matter from claim 6 is taken and inserted verbatim into claim 1. Accordingly, this amendment is solely to claim 1, with claim 6 herein canceled. The previous amendment after final pertaining to claim 7 and the cancellation of claims 12 and 16-19 was deemed to have been considered and will be entered in accordance with the interview of July 26, 2003. Please amend the case as follows:

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks begin on page 6 of this paper.
